

February 16, 2006

I have put a call into Suzette, got voicemail and left a message. This has occurred before and I will persist tomorrow until I get her and the meeting scheduled.

We have learned that Marc Headley is driving a new white Ford Focus 4 door ZX4. The car has Galpin paper plates on it and has aluminum spoke wheels.

During the day, no vehicles were in the driveway at the Headley house in Burbank. (As a note Thursday is when the special collection can be done and this is lined up.)

Claire Headley was seen around the house in the afternoon and again in the evening.

Marc arrived home this evening at about 8:30pm.

We have located a person to become a friend and there is a meeting/briefing set up with this person for tomorrow afternoon. Once the meeting is done, I will report on how this person is going to make contact.

I also got copies today of some of the releases and waivers that Marc and Claire have signed over the years (the ones found so far – more are being looked for):

Marc:

- Staff Contract – 1990
- Actor's Release and Waiver – 1990
- Non-Disclosure and Release Bond – 1990
- Medical Officer Consent Form - 1990
- Mail Release and Waiver – 1992
- Copyright Agreement – 1995

Claire:

- Non-Disclosure and Release Bond – 1991
- Declaration Regarding a Work-For-Hire – 1991
- Actor's Release and Waiver – 1991
- Mail Release and Waiver – 1992
- Copyright Agreement – 1995
